Are you looking for a Show or companion puppy? _____

Show puppies are provided on Show contracts. Show puppies are offered at a much greater price, and with co-ownership until title completion. The Show animals may be bred after they have finished their champion title. The average cost of Show puppies is \$ 3000.00. We often sell Show quality puppies as companions, at the companion prices on spay/neuter contracts.

Companion puppies are only available on an ironclad spay/ neuter contract, which requires spay/neuter at 6 months of age. Limited papers will be provided only after proof of spay/neuter. Average prices for the puppies range from \$2000.00 for pet males and \$2200.00 for pet females. We offer discounts on these prices if two puppies are purchased and occasionally, we offer other discounts. Rare colours and Champion sired pups are priced differently, and our show dogs are priced at \$4000.00. At times we have adolescent pups (over 1 year) and adult dogs that are ready to retire (around 3 -5 years old)

You are welcome to make an e-transfer deposit of \$350.00 made out to h.havanese@gmail.com to reserve the next available puppy that is suitable for you. ***Our purchase prices will be guaranteed for six months for people making deposits at this time.***
